

Coolabah

1 bed

1 bath

35m²

About this design

Designed for efficiency & comfort, Coolabah is a compact yet functional space ideal for singles or couples. With a cozy bedroom, a well-appointed bathroom, & a versatile open-plan living area, this cabin is perfect for minimalist living or as a weekend retreat.

This compact cabin floor plan is designed for efficiency & comfort, making it ideal for singles or couples seeking a functional living space. The cabin features a cozy bedroom with ample room for a queen-size bed, bedside tables, & storage. Adjacent to the bedroom is a well-appointed bathroom with a shower, toilet, & vanity, ensuring convenience in a small footprint.

The open-plan living area combines a lounge, dining table, & a compact yet fully equipped kitchen, creating a seamless & practical layout for daily living. A front deck further enhances the space, providing a relaxing outdoor area to enjoy the surroundings. With its thoughtful design & efficient use of space, this cabin is perfect for minimalist living or a weekend retreat.

Quality Construction

We prioritise strength and durability in every build.

Speed & Efficiency

Built in a controlled workshop environment, free from delays.

Sustainable & Cost Effective

Energy-efficient solutions for lower living costs or off-grid living.
