

Kinbombi

2 bed

1 bath

42m²

About this design

A practical and cozy living space, Kinbombi is ideal for singles, couples, or minimalist lifestyles. Featuring a private bedroom, a well-designed bathroom, and an open-plan living area with a front deck, this cabin maximizes utility and comfort while offering a seamless connection to the outdoors.

This compact cabin layout offers a practical and cozy living space, ideal for singles, couples, or minimalist lifestyles. The private bedroom includes enough space for a double bed, built-in storage, and a small study area, making it both functional and comfortable.

A well-designed bathroom with a shower, toilet, and vanity is located centrally for easy access. The open-plan living area features a small but efficient kitchen, a dining space, and a comfortable lounge, creating a versatile area for relaxation and daily activities. The attached front deck further extends the living space outdoors, providing a perfect spot to unwind or entertain. This efficient design maximizes utility while maintaining a welcoming atmosphere.

Quality Construction

We prioritise strength and durability in every build.

Speed & Efficiency

Built in a controlled workshop environment, free from delays.

Sustainable & Cost Effective

Energy-efficient solutions for lower living costs or off-grid living.
